

Pakistani
Bioscientists
Association

Pakistani Bioscientists Association is being registered as a non-profit organization

Requirements for the application process

You will also be required to provide additional material as part of the application process. The exact requirements would be mentioned on the graduate school website. In general they include the following:

- Official transcripts
- Three letters of reference
- Curriculum Vitae (CV)

Personal Statement or Statement of Purpose (SOP) or Research Statement (depending on institutional guidelines)
